

Press Release

www.centurionshowband.org.uk

New Website Launched

We are pleased to announce the launch of our brand new website, designed to better reflect the professionalism and educational value of the organisation.

The new site boasts better design, greater functionality, increased content, and various educational resources.

The site will also hold up-to-date information on band events and for registered members will act as a source of replacement music and member letters.

You will be able to view the latest pictures and video of the band, as well as download audio files of the bands performances.

As well as the new website, you can now view Centurions pages on popular networking sites such as Facebook and Bebo.
